Your Declutter Plan...

Remember, start small. Empty a drawer, cabinet, closet, or shelf. Now take inventory. Next, check off what you plan on doing with that stuff (hint, it should be either sell, donate, or trash). Do this for each room you declutter. You can also check off sell and donate (if it doesn't sell).

Room: _____

Item	Sell	Donate	Trash
Slap Chop	*X*	*X*	
VHS copy of The Goonies	*X*
